Please Remember----**THESE ARE NOT GAME SHORTS**

These are made for comfort and should not be used as game shorts.

These rugby shorts run a little longer and looser in the leg, and perfect for after game socials, personal or light rugby workouts or yard work around the house.

We do feel that these shorts ***run a little small*** according to our maker and the (size/tag) on the shorts. We do strongly suggest that you tell your players to **order A SIZE LARGER** then what they would normally get for an average pair of shorts.

They are 100% cotton and will shrink a tad on the first wash besides running a bit smaller then other shorts purchased at sporting goods or department stores.
